EVENT SITUATION

You are to assume the role of the marketing manager for STREET STRIDE, an athleisure brand that specializes in stylish, functional clothing designed for Gen Z urban residents. The company's founder (judge) wants you to design a marketing plan for their new collection, STREET STRIDE X, which combines high-performance fabrics with cutting-edge streetwear designs. This collection is meant to bridge the gap between fitness and everyday fashion, allowing customers to transition seamlessly from the gym to social settings.

STREET STRIDE has built a strong following among Gen Z consumers who value both comfort and style. The brand is known for its innovative designs, including moisture-wicking materials, sustainable fabric choices, and bold, trendy aesthetics. With the launch of Street Stride X, the founder (judge) is looking to expand the brand's presence in major urban markets.

The founder (judge) wants your marketing plan to include:

- Target market
- Key marketing strategies
- Promotions

You will present your ideas to the founder (judge) in a role-play to take place in their office. The founder (judge) will begin the role-play by greeting you and asking to hear your ideas. After you have presented and answered the founder's (judge's) questions, the founder (judge) will conclude the role-play by thanking you for your work.

Possible Judge's Questions:

1. How does your marketing plan ensure that the STREET STRIDE X collection stands out in a highly competitive urban athleisure market?
2. How will you incorporate both digital and physical marketing strategies to reach potential customers in major urban areas?
