EVENT SITUATION

You are the marketing director for SUNRISE MARKET, a regional grocery store chain that focuses on fresh, local, and natural foods. The CEO (judge) has asked you to develop a plan for introducing a new line of gourmet frozen breakfast items.

SUNRISE MARKET has established itself as a leader in natural and organic products. However, they have seen a decline in breakfast food sales over the last year. Market research shows that consumers are seeking convenient and healthy breakfast options, and frozen breakfast items are trending, especially in urban areas where people need quick meal solutions. The proposed product line would include options like gluten-free waffles, vegan breakfast burritos, and organic smoothie bowls.

While SUNRISE MARKET typically promotes fresh food, this new frozen line would provide customers with convenient, high-quality breakfast options. The CEO (judge) has asked you to:

- Outline the economic benefits of launching the gourmet frozen breakfast line
- Identify the target market and how the new line will appeal to existing customers
- Suggest promotional strategies that align with the company's brand image
- Evaluate potential challenges or risks, such as customer perception of frozen items versus fresh
- Provide a final recommendation on whether or not to move forward with the frozen breakfast line

You will present your marketing plan to the CEO (judge) in a role-play that will take place in the CEO's office. The CEO (judge) will begin the meeting by greeting you and asking to hear your ideas. After you have presented your plan and answered the CEO's (judge's) questions, the CEO (judge) will conclude the role-play by thanking you for your work.

Possible Judge's Questions:

1. How do you anticipate the introduction of frozen products might impact SUNRISE MARKET's brand perception, which has traditionally focused on fresh foods?
2. What specific demographic characteristics define your target market for this frozen breakfast line, and how do you plan to reach them effectively?
