EVENT SITUATION

You are to assume the role of the marketing coordinator for COASTAL BREEZE RESORT, a beachfront resort located in a small coastal town that attracts tourists, especially during the summer season. The director of sales and marketing (judge) has asked you to create a marketing campaign to increase off-season bookings and attract more tourists during the quieter fall and winter months.

COASTAL BREEZE RESORT is known for its luxury accommodations, oceanfront views, and access to various water activities. However, during the off-season, the town becomes much quieter, and bookings drop significantly. While the resort offers amenities like an indoor pool, spa services, and local partnerships with nearby cultural attractions, many tourists associate it strictly with summer vacations.

The director of sales and marketing (judge) believes that with the right marketing strategy, COASTAL BREEZE can attract more guests during the off-season, particularly couples seeking romantic getaways, families looking for a quiet retreat, and remote workers who prefer a serene work environment with ocean views. The director (judge) wants you to develop a comprehensive marketing campaign to boost off-season occupancy.

In your campaign, the director (judge) would like you to address:

- **Target markets:** Who will you focus on attracting during the off-season?
- **Marketing strategies:** How will you communicate the appeal of COASTAL BREEZE during the off-season to these markets?
- **Unique selling propositions:** What makes COASTAL BREEZE a desirable off-season destination?
- **Promotional ideas:** What promotions or special offers can you create to incentivize bookings during the fall and winter months?

You will present your marketing campaign to the director of sales and marketing (judge) in a role-play to take place in the director's office. The director (judge) will begin the role-play by greeting you and asking to hear your ideas. After you have presented your campaign and have answered the director's (judge's) questions, the director (judge) will conclude the role-play by thanking you for your work.

Possible Judge's Questions:

1. How do you plan to differentiate the off-season experience at Coastal Breeze from the

peak summer season?

2. What specific platforms and channels will you use to reach the target markets (couples, families, and remote workers)?
