EVENT SITUATION

You are to assume the role of the customer experience manager at BRIGHTWAVE CAR WASH, an express car wash with five locations. The owner (judge) wants your plan to improve the experience of members in the BrightWave Unlimited Club.

BrightWave Unlimited Club members pay $29.99 a month to wash their car as often as they like. A camera reads each member's license plate so the gate opens automatically. The club has 6,200 members and brings in 70% of BRIGHTWAVE's revenue. Attendants earn a $2 bonus for every new member they sign up, and the first month costs only $5. BRIGHTWAVE's slogan is "Shine Bright. Drive Happy."

BRIGHTWAVE's online rating has dropped from 4.6 to 3.2 stars. Reviews say attendants are pushy about sign-ups and that members can only cancel in person or by phone during business hours. Some members say they were charged for months after selling their car. Lawmakers in several states are also passing rules that require businesses to make canceling a subscription as easy as signing up. The owner (judge) wants you to explain how BRIGHTWAVE can rebuild trust with members, live up to its brand and get employees to support the change.

You will present your plan to the owner (judge) in a role-play to take place in the owner's office. The owner (judge) will begin the role-play by greeting you and asking to hear your ideas. After you have presented your ideas and have answered the owner's (judge's) questions, the owner (judge) will conclude the role-play by thanking you for your work.

Possible Judge's Questions:

1. Members can wash their car every day for $29.99. Why are so many of them unhappy with a deal that good?
2. What does "Shine Bright. Drive Happy." promise our customers, and how will they see it on every visit?
