EVENT SITUATION

You are part of the marketing team for PETS & PLANET, a new company dedicated to offering eco-friendly pet products, including toys, treats, and accessories made from sustainable materials. The company is based in a city that has a growing community of environmentally conscious pet owners.

PETS & PLANET offers a range of sustainable pet products designed to reduce waste and promote healthier lifestyles for pets and their owners. The company specializes in all-natural, biodegradable toys made from hemp and organic cotton, ensuring that pets have safe and durable options for play. Their organic, locally sourced treats are crafted from human-grade ingredients, free from artificial preservatives and additives, with packaging that emphasizes compostable materials. PETS & PLANET also provides a line of eco-friendly accessories, including collars, leashes, and beds, all made from recycled materials and designed for both comfort and style. Additionally, the company hosts workshops and events focused on pet wellness and sustainable care practices, where pet owners can engage in DIY projects like creating homemade toys and treats.

The CEO (judge) of PETS & PLANET has asked your team to develop a promotional campaign aimed at raising awareness of the brand and attracting customers who prioritize sustainability in their purchasing decisions.

Your task is to create a comprehensive promotional plan that includes:

- Target Audience
- Marketing Strategies
- Promotional Activities
- Impact Measurement

You will present your promotional plan to the CEO (judge) in a meeting that takes place in the CEO’s (judge's) office. The CEO (judge) will begin the meeting by greeting you and asking to hear your ideas. After you have presented your ideas and answered the CEO’s (judge’s) questions, the CEO (judge) will conclude the meeting by thanking you for your work.

Potential Judge's Questions:

1. Among the promotional activities you proposed, which do you believe will have the greatest impact on brand awareness and customer engagement?
2. How do you plan to engage the local community beyond the workshops and events?
